I will help you through everything you need to get your nonprofit organization up and running. Includes: formation resolution, conflict of interest policy, Articles of Incorporation, Bylaws, tax identification number, Application for Recognition of Exemption under 501(c)(3) of the Internal Revenue Code (Form 1023 *or* Form 1023-EZ), Nonprofit Application for Sales Tax Exemption, general recommendations for board structure, meetings protocol, and record-keeping and reporting requirements, attendance at the Organization's first regular Board Meeting for coaching and advice.

Initial Analysis & Recommendations - \$1,400

All organizations seeking á la carte, ongoing, or targeted field-specific Nonprofit Legal Services & Consulting *must* undergo this initial analysis. I will: review your governing documents (Articles, Bylaws, Policies, Procedures); review your current annual budget and financial statements (to include the most recent audit and Form 990, if applicable); conduct interviews with key personnel and volunteers; and observe one board meeting and answer questions regarding the scope of possible Nonprofit Legal Services & Consulting at any level. Upon completion, I will provide your organization with a thorough analysis of your overall governance, policies, and practices and make recommendations as needed. This option is also available for any organization that simply seeks an independent review of and guidance on its structure, policies, and procedures and determine whether Nonprofit Legal Services & Consulting at any level would be helpful.

Á La Carte - \$200 per hour

If your organization only has an occasional need for Nonprofit Legal Services & Consulting, you can pay as you go. Contact me only as you need to for advice and guidance.
